

# Annual Service Special

## For

Lawn and Garden tractor and Zero turn Maintenance

Beat the rush and have your tractor ready to go for spring. Schedule by: December 31, 2021. Protect your investment, have your mower serviced by factory trained technicians. Pick up or delivery available, or consider borrowing our trailer.

**Winter maintenance program in effect  
November 15, 2021 to February 28, 2022**

Cost is \$90 labor plus actual parts used for most residential mowers.

- oil change/tune up
- Remove deck, wash off tractor and mower
- Change engine oil and filter
- Check all engine tune-up items – replace as needed
- Check battery, fluids and connections
- Clean under mower deck – sharpen or replace blades
- Check all belts and pulleys
- Grease all grease fittings, check trans oil level
- Check tire pressures
- Install deck and level
- Test tractor and mower for proper operation (steering, transmission operation, engine and mower running properly)
